

# Blue Knob Getaway

## General Directions

Exit the PA Turnpike at Bedford (exit 146) and continue NORTH on Interstate 99/220(NOT Business 220N) to Claysburg. Note: **pass all Blue Knob exits**. Take the **Claysburg** Exit (#15).

Take the Claysburg (exit 15), turn left to go over the highway. NOTE: This will turn into Business 220N. Continue north to the SECOND traffic light. Turn LEFT at the Claysburg traffic light onto Ski Gap Road. You will stay on this road for 3.8 miles, until you come to a stop sign. Bear left onto Left Hand Gap Road.

Stay on Left Hand Gap Road, 0.3 mile. You will see a sign for Blue Knob Ski Resort on your left, and you will take this LEFT. It is not a big sign, so if you miss it, and pass a red barn, you know you've gone too far. There is a bigger sign on the right side of the hill AFTER you have already made the turn, so you'll know you are on the correct road.

Follow this (Overland Pass) road up the mountain 2.9 miles, and you will pass the Blue Knob Resort Rental office on your right. Just past the rental office and condos you will come to an intersection.

Take a RIGHT onto Little Valley Road. The house will be 0.6 mile up this road on your left. Address is 413 Little Valley Road. It MAY be easier to pass the house, turn around up the hill, and pull into the drive from the UPHILL side.

## To get to the main Ski Lodge from the road

Go back down Little Valley Road to the intersection at the rental office. You will turn RIGHT back up the mountain via the resort service road to the top of the mountain. Parking is available and lift tickets and equipment rentals are handled there also.

## Groceries and Supplies

There is a grocery store in Claysburg. It is on Business Route 220 several hundred yards beyond the Ski Gap Road traffic light. A pharmacy is on Route 220 as well as a gas station.
